Mrs. Nancy Moon  
Canadian Federation of Women Scholarship  
10 North Park Drive  
Brampton, ON, L6S 3M1

Dear Nancy,

I am writing to express my sincere gratitude to you for your generous \$500 Canadian Federation of Women scholarship. I was exhilarated to learn that I was selected as one of the recipients of your scholarship, and I am honored as well as deeply appreciative of your support.

This fall I will be attending the University Of Waterloo for Honors in Electrical Engineering. It is an extensive five year co-op program, and I plan to graduate in the fall of 2021 with two years of work experience. Although I am a female pursuing a more male dominated career, I remain motivated and aspire to develop integrated power system plans to meet projected electricity service requirements and guide capital investment decisions in conservation, generation, and transmission. The financial assistance you provided will be of great help to me in paying for university tuition. Thanks to you, I am one step closer to my goal!

Thank you again for your generosity and support. I can assure you I will work very hard and remain focused throughout my years in post-secondary education. You have truly inspired me to help others and I hope that one day I will be able to give back to my community and assist other individuals, like myself, achieve their goals. I look forward to meeting you in person next spring at the dinner!

Sincerely,
